

So Cal Viper Club Christmas Party

AT THE PETERSEN AUTOMOTIVE MUSEUM

The Southern California Viper Club's annual Christmas party will be a VERY special event this year and one that we hope all members will attend. This invitation also extends to our VCA Regional neighbors. Come and enjoy the holidays in So Cal with fellow Viper friends!

We have reserved the entire first floor of the Petersen Automotive Museum and will enjoy a delicious catered dinner in and amongst the beautiful collection of cars and exhibits on the first floor of the museum.

This party will also be the closing event for our current club President. We all know how much Dan and Cathy have done for our club and they deserve a huge THANK YOU! Your commitment to attend this event will show them how much we appreciate all that they have done over the last four years.

It will also be a great way to Welcome in our new Club President and ensure that our club will continue to be the best car club in the Nation.
